Harbormaster Report

Will reported that the marina is now open seven days a week. The dock water is on and the fuel pumps are servicing boaters and municipal vehicles. The concrete floats are now replaced.

John Wolf is waiting for plumbing parts to install as a trial model on a dock. Martha inquired about marina hours. The office, gas docks and rest rooms are open 8 to 4 weekdays and 7 to 5 on weekends.

Dredging Update

Negotiations continue with the Army Corps to secure the dredging permit. Dredging contract bids were received from the Burnham Company, \$4.2 million, and the Cashman Company, \$4.5 million.

John Wolf attended the last negotiation meeting. John gave an overview of the mitigation conditions that have to be met by the town. It would take a town payment of \$4.48 million in order to be removed from the mitigation requirement if the town chooses to do that.
