100 Way 100 Lieutenants Island

- Don Poole spoke regarding 100 Way. Endorsed on December 7, 2008.

Motion: Pickard to move:

The Planning Board turned down the plans due to inadequate access and it can be resolved by having an adequate entrance within the 40-foot private layout be moved into the layout under fire department regulations for a 14-foot box. We wish to have it staked where it intersects going out of the right of way at both the beginning and end of it. We also want it staked in the middle so we can see the thing layout is completely in the layout when it is done to make it adequate for an ANR. **Second: Mead-Fox** Vote 6/0
