

WELLFLEET
RECREATION

CHECK OUT OUR NEW WEBSITE

www.wellfleetrec.com

We are excited announce our new website through Myrec. Our new site will streamline registrations for programming such as sports, events, day camp, etc., and will avail schedules for team sports, music events and more.

To get started please visit the above link, choose "Create an Account" and enter your household information. Providing your emergency contacts, medical information and more will help us better serve you and will automatically be applied to your registration forms, which saves you time and makes signing up for fun even easier! Because we anticipate Summer Program Sign-ups to open by the beginning of next week at latest, we recommend creating your account today so that you'll be ready to go to register for upcoming spring and summer programming.
