Sonny Roderick

The Wellfleet Recreation Department and Cape Cod Lighthouse Charter School honor Sonny Roderick for his efforts creating, organizing and expanding recreation and athletic programs for children and teens in Truro and throughout the Lower Cape. He coached his son's teams, started a teen center, organized sports programs for all ages, and was Chairman of the Truro Recreation Commission. With his smile and passion for young people, he accomplished all of this and much more! Sonny was dedicated to the children and families of our community and will always be remembered by all of those children, teens and adults whose lives he touched.
