Business Name and Address: _____

Phone Number: _____ Email: _____

Website: _____

Give a brief description of your business or organization: (This can be your mission statement or a description of your business, service, etc. Please print legibly.)

The vision of the arts and culture district is to promote a place that honors and celebrates the arts and culture of the community and its people while enhancing opportunities for artistic exploration, growth and prosperity. The Wellfleet Arts and Culture District shall be promoted as a place that has been established through a long history of exploration, challenge, mystery and perseverance from the First Nation peoples to the first European settlers to the waves of sea captains and successful shipbuilders that fueled the whaling industry and banana trade and now the tourist economy that maintains and propels the community onward. The District will honor and celebrate this rich and diverse history and utilize this immense stock of experiences and knowledge and story to enhance opportunities for artistic exploration, growth and prosperity for community members and visitors.
