Reference: Private Paved Roads

In November of 2012 the Board of Selectmen adopted a policy for the Maintenance of Paved Private Roads eligible for snow plowing by the Town. Residents of Paved Private Roads (PPR) have had 4 full years to gain compliance. The Town has reached out to the residents of paved private roads through print media, tax bill flyers, the Town web site, the Public Works office and Board of Selectmen meetings.

As of July 28, 2016, 53% of PPR are in compliance with the policy, 47% of the roads are non-compliant. The dead line for compliance to be plowed for the 2016-2017 winter is October 28, 2016. The policy will be enforced this winter 2016-2017. We are hopeful that the residents affected by the policy will comply by the deadline of October 28, 2016.

Sincerely,

Paul Lindberg
