Please be advised:

1. All paperwork must be in the Conservation Office by the established filing deadlines.
2. For projects continued at a public hearing, additional information/ paperwork requested by the Commission must be received in the office **one week** prior to the hearing date.
3. No paperwork will be accepted at site visits or during the public hearing.
4. If a project is continued more than three times at the request of the applicant or the request of the Commission, a new filing will be required.
5. Prior to Conservation Commission site visits (Wednesday morning at 10:00 am the day of the meeting) stakes must be in the ground clearly displaying the 50' filter strip, 100' buffer zone, ACEC, floodplain, resource, limit of work and proposed construction location.
6. Please have a representative (yourself or an agent) present at the meeting of your hearing. All Conservation Commission meetings are currently on Zoom. See the calendar on the home page of the Town's website to access the agenda for the Zoom link.

If you have any questions, please do not hesitate to contact the Conservation Office.
