

Wellfleet Energy and Climate Action Committee

No Minutes for 27 October 2022

Remote Participation

The meeting was originally scheduled for 20 October 2022, but had to be rescheduled to 27 October because the meeting was not posted far enough in advance.

On October 27 there was not a quorum present, so the meeting could not proceed.
Agenda was not posted in coordination with open meeting law so no meeting was held.

Next meeting: 17 November 2022

Respectfully Submitted,

Mary C. Magenau

Carol [Mary C.] Magenau, acting as Secretary
