> Votes on Town meeting articles

- Article 12 – dredging – to recommend: 3-0
- Article 35 – shellfish propagation – to recommend: 3-0
- Article 36 – wastewater funding – to recommend: 3-0

It was noted that we had voted in December to recommend the articles transferring certain Town parcels to management by the Conservation Commission.

> Spending articles

- To donate \$300 to the Wellfleet Harbor Conference: approved 3-0
- To donate approximately \$500 to Town pond vegetation replacement: approve 3-0

> Discussion of Harbor Management Plan. ConsCom has already in place a program to adjust regulations to anticipate sea level rise, especially to protect salt marshes and coastal dunes. Agreed to co-operate with Shellfish Advisory Board.

Adjourned, next meeting to be scheduled by the Chair.

Approved June 27 2019, vote 3-0 (2 abstentions)
