Re: Beach Fire permits 2020

I strongly recommend that the Town of Wellfleet not issue Beach Fire Permits during the Beach Season in 2020 because we have no expectation of or ability to enforce social distancing for each permit holder and their guests

In 2019, 1151 permits were issued and I am pretty sure that there were at least 10% more illegal ones as well.

Beach Fire permits are a privilege, not a right, and in an emergency situation are not necessary to anyone's health or well-being.
