WHEN: 6:30PM, Wednesday, September 22, 2021

PURPOSE: The purpose of this hearing is to provide the public with the opportunity to become fully acquainted with the proposed Intersection Improvements & Related Work at Route 6 & Main Street project. PROPOSAL: The proposed Route 6 and Main Street Intersection Improvements project consists of traffic signal upgrades, drainage upgrades, reducing the number of through travel lanes to one lane in both directions, the addition of a Route 6 westbound left turn lane into the pharmacy property.
