Dear Parent or Guardian:

It is anticipated that funding will be approved at the 2021 Wellfleet Annual Town Meeting on June 5, 2021 to provide financial assistance to the parents and guardians of all Wellfleet children who have achieved the age of three years old or four years by August 31, 2021 to attend Pre-school. A child who lives in Wellfleet and who has been accepted by or already attends a licensed Pre-school program qualifies for tuition assistance for the school year from September 2021 through June of 2022. **Town Meeting will allocate \$100,000 for three year olds and \$100,000 for four year olds which will be divided by the number of children who qualify and apply to determine the maximum available per child. For example, if twenty children apply, each would be eligible for up to \$5,000 for the school year. The maximum assistance per year is \$7,000 but could be less depending on the number of qualified applicants.**

The application form and a list of required documents are included in this mailing. If you are interested in applying for this assistance, please fill out and mail the application and the required documentation which must be received no later than June 30, 2021 and send it to:

Town of Wellfleet Social and Human Services
715 Old Kings Highway
Wellfleet, MA 02667

All applicants will receive notification once the deadline has passed and I know the number of children and the maximum allowed for FY20. If you have questions about the program please contact the Director of Community Services, Suzanne Grout Thomas at suzanne.thomas@wellfleet-ma.gov or by telephone 774-353-7456.

Yours truly,

Suzanne Grout Thomas
