

# Health Fair

Tuesday, May 21, 2024 1:00pm—4:00 pm

Preservation Hall

335 Main Street, Wellfleet, MA 02267

Join us to receive the following services:

- ⇒ **Bone Density Screening:** An ultra sound measurement of the wrist, screening for osteoporotic or bone loss
- ⇒ **Cardio Check:** A minimally invasive, finger stick, screening that will show glucose, cholesterol, and HDL levels. Testing and reporting results to individual takes about 5 min.
- ⇒ **Facial Skin Screening:** Shows facial skin damage from the sun with sun safety education
- ⇒ **Blood Pressure**
- ⇒ **Information** on all health related topics including sun and ticks.

**There will be swag!**
