

Town Recreational Shellfishing Crier

April 1, 2024

1. Don't Forget to Renew Your Shellfishing Permit if You Want to Harvest in 2024 – Patriot's Day and Memorial Day Weekends Are Coming Up!

If you do not yet have your 2024 recreational shellfishing permit, you will not be able to harvest this year. Please order your permit online [here](#). Once processed, it will be in an envelope with your name on it, filed in alphabetical order, in a metal box at the Shellfish/Beach Dept. office at the Town Pier. **Please remember to pick it up as you must have your current valid permit in your possession on the flats in order to harvest.** If you prefer that we mail it to you, please send a self-addressed, stamped envelope to Wellfleet Shellfish Dept., 300 Main St., Wellfleet, MA 02667. You can also go to Town Hall in person, second floor, room 202, from 8 a.m. – noon and 1 – 4 p.m., Monday through Friday.

Contact Nancy at nancy.civetta@wellfleet-ma.gov or 508-349-0325 with ideas on how the Shellfish Department can help or improve shellfishing. Thank you!

Nancy Civetta
Shellfish Constable
