Due to community interest, we are going to allow the **first nine people to respond** to this announcement to attend this meeting in the Shellfish Department offices at the pier in person. Per Gov. Baker's orders, indoor meetings are limited to 10 people. Nancy Civetta will log into the Zoom Shellfish Advisory Board meeting at our offices, and the first nine people to respond can join her there with masks on. We will stand six feet apart. We hope to better engage the shellfishing community in SAB meetings in this way moving forward. Other ideas are welcome.
